

APJ Sheppard joined the team in December 2016. He brings a combination of impressive theoretical training (his Masters' and doctoral degrees are in the area of management and governance) as well as over 20 years of wide ranging practical experience. He has been the CEO of a number of Canadian and international organizations; he has lead organizations ranging from a modest size (AOB of CDN \$2 million) to larger international organizations, primarily in Asia and the Middle East, with AOB of in excess of CDN \$30 million.
